

# The Future Direction of WAVOCC 2010/2011

- Why should we have WAVOCC?
- What will WAVOCC lead on?
- How will WAVOCC be sustained?

# WAVOCC Objectives

- Representation (including consultation and lobbying)
- Information Provision
- Networking Opportunities
- Direct Support Services Provision

# WAVOCC's Role

- Co-ordinating opinion within the sector
- Providing relevant VCS representation and the associated support systems
- Providing up to date and relevant information and advice for it's members
- Enable it's members to network effectively amongst themselves and the wider Health and Social Care market stakeholders
- Provide appropriate services to members in supporting the sector to better manage itself and be fit for purpose

# Membership

WAVOCC is built on the foundations of its diverse membership

# Membership Sub-sections?

- Special Interest Section
- Women's Section
- Older Peoples' Interest Section
- Education, Training and Employment for Vulnerable People Section
- Youth Section
- Family Section
- Mental Health/Injury Section
- Palliative Care Section
- Physical disabilities section
- User Groups Section
- General/Miscellaneous Section

# Sub-section Value

- Sub-sections aim to bond membership under current themes
- Sections can be driven by the agendas and needs of members
- All sections have the right to representation on the WAVOCC board
- Focus attention on dealing with the many and varied issues in the 3<sup>rd</sup> sector
- Members can engage at a level of interest
- Membership interest is able to connect with multiple sections

# Macro Service Provision - Representation

- Co-ordinating opinion
- Consultation
- Giving, and supporting 3<sup>rd</sup> Sector views on Health and Social Care Policy
- Support systems for WAVOCC representatives

# Macro Service Provision - Information

- Building on cascade local/national information:
  - Website
  - Newsletter
  - Bulletin
- Working on the information interface with the local statutory sector

# Macro Service Provision - Networking

- Benefits of networking in Sub-sections
- Events: Tuesday, Wednesday, Thursdays
- Members to set the agenda = a healthy agenda

# Macro Service Provision – Direct Support Service Provision

- Via sub-sections easier to define sub-section needs
- Scope of Service Provision is led by section request

# Sustainability

- A contribution from members
- Linking Statutory Associate member's budgets to our work when appropriate
